

ERRATUM

Cereal Chemistry, Vol. 46, No. 4
(July 1969)

Page 349, by Onolee J. Franks, Mary E. Zabik, and Kaye Funk:

On page 351, please make the following correction: "Value for moisture of frozen albumen should be 88.14% and grams of egg white solids were 118.5 for foam-spray-dried and 118.3 for spray-dried eggs."
